

Tru-Fit Smart harness™

BENEFITS:

- Protects dogs, drivers and passengers on the road
- Designed to be easy to put on
- Broad, padded chest plate for extra protection & comfort
- Can be safely used with the Kurgo Auto Zip Line
- Includes a seat belt loop so the Kurgo Smart Harness can be used with any vehicle seat belt

SIZING

Size	Neck Size	Chest Girth	Weight
S	12 – 20"	16 – 22"	10 – 25 lbs
M	16 – 25"	18 – 28"	25 – 50 lbs
L	18 – 30"	24 – 34"	50 – 80 lbs
XL	24 – 35"	28 – 44"	80+ lbs

Chest Girth: Measure behind dog's front legs for girth. Harness should be snug but not restrictive. Allow for a finger to slide between the dog and harness.
